If approved, this proposal will renew and increase the .59 mills currently levied by the Oakland County Public Transportation Authority for the years 2012 through 2013, to 1.0 mills for the years 2014 through 2017, and will allow continued support to the Suburban Mobility Authority for Regional Transportation (SMART) for a public transportation system serving the elderly, disabled, and general public of Oakland County.

For the purpose of providing funds for the support of a public transportation system serving the elderly, disabled and general public of the County of Oakland, as a renewal and increase of the mills which expired with the 2013 tax levy, shall the limitation of the amount of taxes imposed on taxable property in the Oakland County Public Transportation Authority area be renewed and increased from .59 mills (59 cents per \$1,000 of taxable value) to 1.0 mills (\$1.00 per \$1,000 of taxable value) for four (4) years, 2014 through 2017, inclusive? It is estimated that 1.0 mills would generate approximately \$27 million when levied in 2014.
