#### Section 16.12 – Callback Pay Minimum

In lieu of the two-hour minimum, the City shall compensate an employee for a minimum of one (1) hour at the overtime rate for accepting any phone calls, responding to text messages, emails or similar communications to which the employee's supervisor or other management staff member directs the employee to respond outside of work hours. The one (1) hour time period shall commence when the employee first responds to the call, text, or email. The City shall not be required to pay the employee any additional amounts for additional communications which occur during the same one (1) hour period.

However, any time spent engaged in such communications after the first hour shall be paid at the overtime rate and shall be incurred in one-tenth of an hour or six (6) minute increments. Once the matter is addressed through the employee's response, compensation for the matter shall cease, unless further work or follow-up is needed.

If further work or follow-up is needed, it shall be the responsibility of the supervisor, Appointing Authority or other management staff member to contact the employee. Further or follow-up work will be compensated at the overtime rate if such work falls outside of the one (1) hour period when the employee first responds as discussed above.

## **Section 16.13 – Acting Capacity Appointment**

An Acting Capacity appointment is an interim or temporary appointment of an employee to a higher position in an acting capacity. Such an appointment may be authorized by City Administration or the Appointing Authority with the approval of the Human Resources Director without examination. An individual accepting an Acting Capacity appointment must accept all responsibilities of the appointed position.

The appointment in an Acting Capacity may be authorized when the higher position has been or is expected to be vacant for a period of at least four (4) weeks. Acting Capacity appointments shall not be continued to avoid filling the vacancy through the competitive examination process. Acting Capacity appointments of 6 months or longer require the approval of the Human Resources Director.

[ACS March 7, 2000]

An employee who has been appointed to a position in an Acting Capacity shall receive additional compensation. This additional compensation recognizes the additional responsibilities the employee will be required to complete in the acting capacity role.

The employee assigned to a position in an Acting Capacity shall be compensated as follows: Acting pay will be the greater of: 1) the first step of the higher classification's pay range, or; 2) The Acting Capacity employee's current base salary plus four (4) percent and placement at the first step of the higher classification's pay range that equals or exceeds the four (4) percent increase.

Acting Capacity appointments must be for four (4) consecutive weeks or more. Acting Capacity compensation must be paid upon an employee's assumption of the new job responsibilities. When the position is permanently filled and the employee is no longer in an Acting Capacity, the Acting Capacity compensation shall no longer be paid. Instead, the permanent compensation for the position shall be paid to the employee assuming the role.

Exceptions to the pay rate established in this rule may be recommended as a result of the complexity of the work, the interrelationships between employees, and the capabilities of the appointed individual. In the judgment of the Appointing Authority/Administration and the Human Resources Director, the employee's background or experience may warrant a higher pay.

[Amended February 17, 1987] [Amended February 16, 2007]

## **Section 16.14** – Temporary Assignment Compensation

They are still responsible for performing their assigned duties, but are also being asked to take on a special assignment that would clearly not be anticipated as a regular

function of their job classification. TAC will be limited to six (6) months, but may be renewed may be renewed for one (1) additional six (6) month period, and thereafter the employee shall either be reclassified or returned to their regular duties. There shall be no subsequent temporary assignments affecting the same role without the Human Resources Director's approval. TAC will be paid on an hourly basis, for each hour worked in the assignment (i.e., will not be applied to sick pay or vacation pay). TAC compensation will be the TAC employee's current base salary plus four (4) percent and placement at the first step of the higher classification's pay range that equals or exceeds the four (4) percent increase, depending on the complexity and scope of the duties performed in the temporary assignment. When the temporary assignment has ended and the employee is no longer responsible for the additional tasks, the additional compensation shall no longer be paid.

3rd Monday in February

Friday before Easter Variable Date

Memorial Day Last Monday in May

June 19
Independence Day

Day Before New Year's Day December 31

When any of the above holidays fall on Saturday, Friday shall be observed as a holiday. When they fall on Sunday, the following Monday shall be observed as a holiday.

### A.2 – CAREER PART TIME AND NON-CAREER HOLIDAY PAY

**Part-time career** employees receive holiday pay as follows:

- 4 hours of pay for each holiday for employees eligible for 50% fringe benefits.
- 6 hours of pay for each holiday for employees eligible for 75% fringe benefits.

**Non-career** employees are not eligible to receive holiday pay.

## A.3 – HOLIDAY PREMIUM PAY

Career employees required to work on days that are observed as paid holidays by the City, shall be granted premium pay at a rate of time-and-one-half for hours worked, in addition to receiving the appropriate level of holiday pay. Holiday premiums only apply to the day the City is officially observing the holiday. It may not necessarily apply to the actual day, or the weekend affiliated with the holiday.

For example, a career employee required to work on Veteran's Day which falls on a Saturday, will be paid their regular rate of pay for that Saturday. However, if the career employee was required to work on the preceding Friday, (the City-observed holiday), the employee will receive premium pay for hours worked on Friday, plus their appropriate holiday pay.

If a career employee works on the Saturday of Thanksgiving weekend, they will be granted premium pay at the time-and-one-half rate for those hours in excess of forty (40) in one week, or over eight (8) in one day.

Career employees required to work on paid holidays will receive premium pay at a rate of time-and-one-half for hours worked, plus applicable holiday pay. Supervisory personnel will, when eligible for overtime compensation, be compensated for holiday work on the same basis as these employees they are supervising, or by accumulating compensatory time off at the rate of time-and-one-half. It is the employee's responsibility to choose which option they prefer and to communicate their choice to their timekeeper to ensure their payroll is entered and processed correctly. If the employee makes no choice, the employee will receive the pay rather than the compensatory time.

Only one premium or overtime rate shall be applied to hours worked; where different rates are indicated, only the higher rate shall be applied.

Career Full-Time example, full-time career employees required to work an eight (8) hour shift on Veteran's Day will be paid premium pay at a rate of time-and-one-half for eight (8) hours worked plus eight hours regular holiday pay. (8 hours worked x  $1 \frac{1}{2}$ ) + 8 hours holiday pay = a total of 20 hours.

*Career Part-Time example*, if a part-time (50%) career employee works a seven (7) hour shift on Veteran's Day, that person will be paid premium pay at a rate of time-and-one-half for the seven hours worked, plus four (4) hours regular holiday pay. (7 hours worked x  $1 \frac{1}{2}$ ) + 4 hours holiday pay = a total of  $14 \frac{1}{2}$  hours.

### A.4 – HOLIDAY PAY ELIGIBILITY

To be eligible for holiday pay, an employee must work on their regularly scheduled workday before and after a holiday unless they have an authorized absence.

Holiday pay will not be provided if an employee's termination date falls on a City observed holiday. Employees on a Leave of Absence without pay shall not receive any compensation for holidays occurring during said leave.

## **B – VACATION LEAVE**

#### B.6 – SCHEDULING OF VACATION LEAVE AND INCREMENTS OF ALLOWABLE TIME

- 1. Scheduling: Vacation leave schedules shall be set up by the immediate Supervisor or Appointing Authority as to permit the continued operation of all Department functions without interference. The Human Resources Director can approve a vacation leave pay out outside of the normal vacation leave request. Employees may receive vacation leave pay outs in any of the following instances:

**Heavy Work Load:** Any employee who is unable to take their vacation leave because their work load prevents the granting of a vacation leave at any time during the calendar year. The Appointing Authority can confirm and inform the Human Resources Director of this situation.

### 1. Overview

This Section establishes a program whereby employees may donate their own vacation leave hours to a co-worker who is nearing or has exhausted their own paid leave. The purpose of the program is to allow employees who have exhausted all paid leave to remain on payroll and thus receive compensation and limited benefits.

Employees on donated time will be treated as if on active payroll for benefit purposes, i.e. eligibility for health, dental, optical; life, residency incentive benefits and continuous years of service with the City.

Accruals of all time banks cease when an employee is being compensated because of donated time. When donated time is exhausted and an employee receives their last check, they will be placed on a leave of absence in accordance with the provisions of Rule 19, Leave Without Pay.

Donations shall NOT be processed and donated time shall not be used for routine vacations or other routine personal business.

If in accord with departmental needs, Appointing Authorities may wish to suggest the use of adjusted work schedules to accommodate employees in lieu of donated time if needed on a limited or sporadic basis.

**Unused Donated Hours:** Employees in need of donated time may return to work for a short time, and unexpectedly need additional hours again before leave banks can be replenished. In order to avoid repeated requests for donations, excess hours will be returned to the donor(s) on a pro-rata basis, if no usage of Donated Vacation Leave time is required for sixty (60) calendar days.

- **f.** Received Donated Time is Hour for Hour: Any donation of vacation leave would be hour-for-hour without regard for differing rates of pay.
- g. <u>Employees are prohibited from directly soliciting vacation leave donations from other employees.</u>

### 4. Rules for the Donor of Vacation Leave:

**a. Voluntary:** This program is strictly voluntary and each donor would determine whether they choose to make a donation to a particular co-worker.

#### **D.1** – Uniform Allowance Eligibility

- 1. Uniform Allowance for Supervisory Staff: Any employee who is required, on a daily basis, to wear a uniform which is not provided by the City and who is a direct line supervisor to uniformed employees covered under Administrative Civil Service (ACS), TPOAM or AFSCME 329 contracts will receive a clothing allowance equal to that which is provided in the AFSCME 329 contract. Increases in this allowance will be automatic to supervisory personnel when a new allowance is negotiated by the Union and included in the AFSCME 329 contract. At no time will this allowance exceed the clothing allowance stipulated in the AFSCME 329 contract.
- 2. Uniform Allowance for Non-Supervisory Staff: Any other non-supervisory, ACS employee who is required, on a daily basis, to wear a uniform which is not provided by the City shall receive a uniform allowance equal to that provided in the AFSCME 329 contract. Increases in this allowance will be automatic when a new allowance is negotiated by the Union and included in the AFSCME 329 contract. At no time will this allowance exceed the clothing allowance stipulated in the AFSCME 329 contract.
- **3. Distribution of Uniform Allowance**: This allowance will be paid in two (2) equal lump sums; one during January and the other in July. Eligible new employees will get the allowance in their first check and future allotments will follow the normal distribution of the allowance.
- **4.** Eligibility for Uniform Allowance: The payee must be on payroll the first day of the month during which the distribution is made. Payee will not receive allowance if on an unpaid leave of absence.

#### **D.2** – Uniform Allowance Purchase Limits

The uniform allowance shall be spent on items approved by the City/Appointing Authority such as work pants, work shirts (with City logo), work shoes/boots, work jackets (with City logo), or for the cleaning of the same. This allowance does not cover the purchase of socks or undergarments.

Any uniform that is severely damaged or destroyed in the line of duty shall be replaced by the City. The replacement will be limited to the cost of the item being replaced. Any changes or upgrade will be the responsibility of the employee.

#### D.3 – Protective Equipment and Uniform Allowance

Employees are required to wear proper uniforms while on duty. Employees who receive a uniform, clothing and/or cleaning allowance are to purchase approved uniform clothing in accordance with departmental regulations and City purchasing programs. A uniform, clothing and/or cleaning allowance is a benefit to defray the cost and care of approved work apparel. All uniforms worn by City of Southfield employees are to be kept clean and in good repair. If an employee is required to wear protective clothing or any type of protective device as a condition of employment, such

protective clothing or protective device shall be furnished to the employee by the City. Any required protective boot or footwear is not covered by this paragraph but may be purchased with the uniform allowance as described above.

#### **D.4** – Uniform Allowance Exclusions

- 1. Except travelling to and/or from work, uniforms and protective clothing are not to be worn while the employee is not on duty.
- 2. Non-Career employees are not eligible for uniform allowance.

#### **D.5** – Work Attire Guidelines

While the City of Southfield has not adopted a dress code for employees who are not required to wear uniforms at work, all employees are expected to dress appropriately while at work and to observe good taste in their personal appearance consistent with professional service as City of Southfield employees. All clothing should be clean, ironed and in good shape. Refrain from wearing clothing that has tears, rips or holes, even if it is the current fashion. Work clothes should be professional, meaning not too revealing or too casual. Departmental uniforms, clothing bearing the City logo insignia or business casual dress is the standard for projecting the professional image of employees of the City of Southfield.

- Jewelry should be worn in a manner that does not prove a safety hazard around equipment.
- Cologne should be worn in a manner that is minimal, especially when working in close proximity to other employees.
- Hats are not to be worn in the office.
- Head coverings without logos or those worn for religious reasons are permitted.

If clothing, footwear, jewelry or cologne fails to meet these basic guidelines, the employee will be asked not to wear the inappropriate item to work again.

#### RULE 22 – PUBLIC RECORDS AND RECORD RETENTION

Human Resources records and documents shall be retained by the Human Resources Department/Director in accordance with, at minimum, the most current State of Michigan Municipal Record Retention Schedule.

#### Section 22.1 – General Retention Information for Human Resources Documents

- **A. Public Records:** The Michigan Freedom of Information Act (FOIA) (MCL 15.231-15.246, et seq., as amended) defines public records as recorded information "prepared, owned, used, in the possession of, or retained by a public body in the performance of an official function, from the time it is created."
- **B. Retention and Disposal Schedules:** Michigan law (MCL 399.5 and 750.491, et seq., as amended) requires that all public records be listed on an approved Retention and Disposal Schedule that identifies the minimum amount of time that records must be kept to satisfy administrative, legal, fiscal and historical needs. The Human Resources Director may require retention beyond the periods listed, and nothing prevents an office from retaining records longer than the specified period of time. Schedules also identify when records may be destroyed, and when certain records can be sent to off-site storage for permanent preservation. There are two types of schedules that government agencies may use:
  - 1. A "general schedule" will cover records that are common to a particular type of government agency, such as a human resources office. General schedules may not address every single record that a particular office may have in its possession. General schedules do not mandate that any of the records listed on the schedule be created. However, if they are created in the normal course of business, the schedule establishes a minimum retention period for them.
  - 2. Any record that is not covered by a general schedule must be listed on an "agency-specific schedule" that will address records that are unique to a particular government agency. Agency-specific schedules always supersede general schedules. Agency-specific schedules only address the records of the agency named on the schedule, and may not be used by another agency.
- **C. Unofficial Documents:** These documents are broadly defined as drafts, duplicates, convenience copies, publications and other materials that do not document agency activities. These materials can be disposed of when they have served their intended purpose.
- **D. Record Maintenance:** Records can exist in a wide variety of formats, including paper, maps, photographs, microfilm, digital images, e-mail messages, databases, etc.

The Human Resources Director is responsible for ensuring that all of their records (regardless of format) are properly retained and remain accessible during the entire retention period. All records need to be stored in a secure and stable environment that will protect them from tampering, damage and degradation. Electronic records are dependent upon specific hardware and software to be accessed and used. Various laws (including the Records Reproduction Act,

MCL 24.401-24.406, et seq., as amended) identify acceptable formats for retaining public records.

**E. Suspending Destruction:** Human Resources designee must immediately cease the destruction of all relevant records (even if destruction is authorized by the Human Resources Director and the Retention and Disposal Schedule) if they receive a FOIA request, if they believe that an investigation or litigation is imminent, or if they are notified that an audit, investigation or litigation has commenced. If relevant records exist in electronic formats (such as e-mail, digital images, word processed documents, databases, backup tapes, etc.) the Technology Department must be notified for assistance if needed.

#### **Section 22.2 – Retention Period for Human Resources Documents**

Southfield Human Resources records cannot be destroyed unless their destruction is authorized by the approved Retention and Disposal Schedule and logged, approved and signed off by the Human Resources Director or designee for destruction.

All paper employee records as well as confidential employee data maintained by the City's Human Resources department have to be destroyed by shredding once the retention dates have passed. Electronic records also should be reviewed and purged as provided by the latest edition of the Local Government Human Resources Record Retention and Disposal Schedule.

The retention period for Human Resources documents is as provided in the latest edition of the Michigan State General Retention Schedule #26 for Local Government Human Resources. See attached, approved August 16, 2022.

Yearly, by January 31, the Human Resources Director or their designee shall verify, and update if necessary, the current edition of the Local Government Human Resources record retention and disposal schedule to be utilized for record retention and disposal for the year.

Updated editions of the schedule may be obtained from the State of Michigan Department of Records Management Services. The same may also be found on their website at the link below:

# **RULE 23 – Administrative Civil Service Rules AMENDMENTS AND EXCEPTIONS**

#### **Section 23.1 – Amendments**

However, the provisions of these rules do not replace or supersede any part of the Charter or ordinances of the City of Southfield, unless provided by law or ordinance revision.

Any amendment or change made to these rules becomes effective upon approval by the ACS commission, unless another effective date is stated at the time of approval amendment.

## Section 23.2 – Exceptions

Upon a specific finding by the ACS Commission that the best interest of the City would be served in a particular circumstance by granting relief from one or more of these Rules, the ACS Commission may, modify the applicable condition or requirement of these Rules in a particular circumstance; by an affirmative vote of the ACS Commission to do so.

Should the ACS Commission find the best interest of the City would be served by amending, or rescinding one or more of these Rules, the ACS Commission may adopt new Rules or may modify or rescind these Rules; by an affirmative vote of the ACS Commission to do so.

[Amended November 27, 1989]

#### **Section 23.3 – Delegation to Human Resources Director**
