

WATER SYSTEM INFORMATION NOTICE

This notice is provided as a revision to the recently distributed water system consumer confidence report (CCR) provided by the City of Southfield. Certain required information was inadvertently omitted by the city's water producer, the Great Lakes Water Authority, (GLWA) in preparing the report. The following notification is amended on the full digital version of the report, available at

<https://www.cityofsouthfield.com/departments/public-works/water-sewer>

2023 Water Quality Report (PDF)

Communities served by Springwells water treatment plant.

Required information on Great Lakes Water Authority's (GLWA) Administrative Compliance Agreement (ACA) with Michigan Department of Environment, Great Lakes, and Energy Drinking Water and Environment Health Division (EGLE):
