GRIEVANCE AND ARBITRATION PROCEDURE

9.1 Definition. A grievance is a dispute between the City and one (1) or more employees covered by this Agreement regarding the interpretation or application of the provisions of this Agreement.

- A. Items coming within the jurisdiction of the Fire and Police Civil Service Commission established under Act 78 of the Public Acts of 1935, as amended; provided however, that disciplinary matters may proceed either through the Grievance and Arbitration Procedure set forth herein or through procedures established according to said Act 78, at the option of the employee; provided further, that the employee shall, within ten (10) days of the discipline make an election as to which procedure shall be used and thereby shall forfeit the right to revoke said election and proceed according to any other manner of review.
- B. Collective items which would normally be considered a matter for the collective bargaining process. The intent of this provision is to prevent and stop those items which have been negotiated out, or set forth herewith, from being collaterally attacked either by way of the grievance procedure or otherwise.
- C. An incident or other alleged infraction occurring prior to the date of the adoption of this Agreement.
- D. A grievance not meeting the time limits as set forth in the procedure below.
- E. Multiple grievances submitted at a single time or step. The intent of this provision is to prevent more than one (1) grievance being submitted to the same arbitrator at the same time unless mutually agreed upon by the parties. A class grievance (not excluded herein) is a grievance involving more than one (1) employee where the facts involved are identical to all those affected and one in which only one (1) employee shall act as grievant for all concerned.

9.3 General Rules. If a grievance is not submitted within fifteen (15) calendar days of its occurrence or of the date on which the aggrieved party should reasonably have learned of its occurrence, whichever is later, it shall be automatically closed and forever held for naught.

9.4 Any grievance not submitted in one of the steps of the procedure to the next step within the time limit prescribed shall be considered withdrawn.

9.5 Failure to render a decision at any step of the grievance procedure within the specified time limits shall permit the grievance to proceed to the next step.

9.6 The time limits herein may be extended by mutual agreement of the parties in writing.

9.7 The employee may elect to have a representative of the Association present at any stage of the grievance procedure.

9.8 Grievance Procedure. Any grievance shall be presented through the following procedure:

Step 1-Chief. Within fifteen (15) calendar days after the event or occurrence or of the date on which the aggrieved party should reasonably have learned of its occurrence, whichever is later, the aggrieved party shall present the grievance in writing to the Chief of Police or designate.

- A. The name of the aggrieved party or parties.
- B. A statement of the facts giving rise to the grievance.
- C. Identification of all provisions of this Agreement alleged to be violated.
- D. The date on which the event or occurrence first occurred.
- E. The date of the initial submission of the grievance in writing.
- F. Remedy or correction requested.

The Chief of Police or designate shall render a decision to the aggrieved party in writing within ten (10) calendar days after receipt of the grievance. A copy shall be supplied to the President of the Association.

9.10 Step 2-City Administrator. In the event the aggrieved party is not satisfied with the decision at Step 1, he or she may, within ten (10) calendar days of receiving the decision, present an appeal in writing to the City Administrator, or designate. With this appeal he or she shall present a copy of the original grievance and the reply received at Step 1. The City Administrator, or designate, shall render a decision in writing to the aggrieved party within ten (10) calendar days after receipt of the appeal. A copy shall be supplied to the President of the Association.

9.11 Step 3-Arbitration-Notice of Intent. In the event the aggrieved party is not satisfied with the decision at Step 2, he or she may, with the approval of the Association, take an appeal of the matter to an impartial arbitrator selected from the Federal Mediation and Conciliation Service (FMCS) under, and in accordance with, the rules of the American Arbitration Association. Such an appeal and request must be made to the American Arbitration Association within fifteen (15) days after receipt of the decision in Step 2.

Written notice of intent to submit the matter to arbitration must be simultaneously filed with the City Administrator.

9.12 Powers of the Arbitrator. It shall be the function of the arbitrator, and he or she shall be empowered, except as limited herein, after due investigation to make a decision in cases of alleged violation of specific articles and sections of this Agreement. The arbitrator shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.

9.13 Arbitrability. Should either party dispute the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall first rule on the question of arbitrability. Should he or she determine that the grievance is not arbitrable, it shall be referred back to the parties without decision or recommendation as to its merits.

9.14 Fees and Expenses at Arbitration. The fees and expenses of the arbitrator, including all filing fees, shall be borne fully by the losing party. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of the witness called by the other.

9.15 No Restraining. No restraining, coercive, discriminatory or retaliatory action of any type shall be taken against an employee by any supervisor because of the employee's desire to file, the institution of, or participation in a grievance.

ARTICLE X PROMOTIONS

10.1 Promotions shall be made in accordance with the provisions of Act 78, P.A., 1935, as amended, except as provided in this Agreement.

10.2 The City will establish and implement, with the input and the concurrence of the Association, a validated procedure for the selection of Sergeants, Lieutenants and Deputy Chiefs.

10.3 Any dispute with respect to implementing this clause shall be subject to an impartial arbitrator who shall be an expert in test validation mutually selected or selected by two experts, one selected by each party.

10.4 Nothing contained in Article X, Section 1, (including Act 78) shall apply to the filling of the Police Chief position; the City shall have the right to fill the position from within or without the bargaining unit.

ARTICLE XI JOINT RESPONSIBILITIES

interruption of police protection service to the public or any curtailment thereof. In the event of such interruption or curtailment, the Association shall immediately instruct the involved employees in writing that their conduct is in violation of this Agreement and that they may be disciplined up to and including discharge for dereliction of duty and instruct all persons to immediately cease said offending conduct. (The City reserves the right to utilize all legal remedies available under law against the "Association" for any illegal activity under the terms and conditions of this contract and/or the laws of the State of Michigan.)

Sick leave shall not be considered a privilege which an employee may use at his or her discretion, but shall be allowed only in cases of actual illness or disability. Sick leave shall accrue at the rate of eight hours per month with unlimited accumulation. For a half day or less of actual illness or disability (4 or 5 hours depending on the employee's schedule), there shall be no charge to sick leave; for more than a half day, a full day shall be charged (8 or 10 hours).

12.2 Sick leave benefits shall not accrue while an employee is on leave of absence; or sick leave beyond the balance of the calendar month ending thirty (30) days after the date on which the illness occurred. Employees off duty who become ill and unable to report for duty must notify the officer in charge at least one-half hour before roll call to his or her platoon on each day of illness. Failure to do so may be cause for denial of sick leave with pay. An examination certificate and release from the City Physician or other acceptable physician may be required as evidence of illness and inability to return to work before compensation is allowed. The City reserves the right to request such examination of a member of the department in order to determine validity of absence due to illness, with sick leave compensation provided in accordance with the physician's report. Should the physician's report indicate that the request for sick leave is (was) not justified, such information may be grounds for disciplinary action up to and including dismissal.

12.3 Payment. Payment for accumulation unused sick leave shall be as follows:

- B. If the employee has used more than two (2) regular sick leave days in the preceding fiscal year, the employee shall be paid fifty percent (50%) of the employee's current hourly rate (based on a forty-hour week) multiplied by the number of hours over 1200.

12.6 When Paid. This payment shall be made annually on the second pay period in July, except in the event of retirement, death or voluntary resignation, in which case payment shall be made at the time of retirement, death or resignation.

Personnel with less than ten (10) years service shall not receive payment for accumulated sick leave upon resignation. Payment may be denied for reasonable cause and such denial may be subject to the Grievance procedure. However, denial shall not be grievable when an employee is discharged or resigns, pending charges, irrespective of final disposition.

12.8 Payments pursuant to Section 12.7 shall be in addition to payment set forth in Section 12.5 and 12.6 of this Article.

12.9 Employees who retire from employment in the 4th quarter of a calendar year (October-December) shall receive payment for accumulated sick leave on the first pay in January following their date of retirement. The Department will require minimum schedules and may limit the number of personnel granted vacation leave at any given time.

14.2 Accumulation Cap. Maximum accumulation of furlough time shall be twice the annual accumulation. Whenever an employee has accumulated the maximum allowable amount of furlough time, the City shall have the right to require the employee to accept one furlough period of 2 weeks duration.

A member wishing to elect this option must make written application to the Act 345 Pension Board no later than one hundred and twenty (120) days prior to the effective date of retirement or DROP commencement. The one hundred and twenty (120) day notice may be waived at the sole discretion of the Pension Board; however under no circumstances can it be increased.
- C. The Pension Board shall refund the member's contributions as set forth in A. above within thirty (30) days of the date of the member's retirement.
- D. The parties agree that the interest rate used to determine the reduction in retirement allowance as provided in A. above shall be based upon the interest rate for an immediate annuity published monthly by the Pension Benefit Guaranty Corporation (PBGC). The most current index prior to the member's retirement date or DROP commencement date shall be used. This option is only available for normal service retirement. A member who elects the annuity withdrawal option shall have his annual pension reduced accordingly as determined by the Pension Board Actuaries.

Effective January 1, 2000, Paragraph D shall be amended to:

The retirement benefit reduction shall be actuarially equivalent to the amount of accumulated member contributions withdrawn (including attributed interest). For purposes of the above sentence, actuarial equivalent calculations shall be computed using the average 30-Year Treasury bond rate for the third calendar month preceding the member's effective retirement date or DROP commencement. This option is only available for normal service retirement. A member who elects the annuity withdrawal option shall have his annual pension reduced accordingly as determined by the Pension Board Actuaries.

Effective 7/1/02, there shall not be a reduction in the retirement allowance when a member withdraws permissible refundable accumulated contributions pursuant to (a), (b) and (c) above. For those members already in a DROP, a recalculation shall be made effective 7/1/02. The recalculation shall be based only on the eliminated reduction and not on the other elements of FAC. Contributions made on or after March 1, 2014, as well as contributions made pursuant to article 41.3(a), are not subject to withdrawal or refund under any circumstances, other than termination prior to vesting.

41.7 Should an employee be granted a duty, non-duty or regular disability pension, this pension shall include the automatic 60% spouse benefit regardless of the age of the retirant unless option I or II is validly elected.

41.8 Death in the Line of Duty. If death results to a member in the line of duty and the member leaves a surviving spouse and/or children, the spouse and/or children shall receive the greater of the two pension benefits listed below:

Southfield Police Command Officers Association
July 1, 2022 through June 30, 2025

- a. An Automatic Option I benefit, computed in the same manner as if the member had retired effective the day preceding the date of the members death, elected Option I provided in Act 345, 38.556, Section 6 (1) (h), and nominated the spouse as survivor beneficiary. If the deceased member had less than 25 years of service credit at the time of death, the Automatic Option I benefits shall be computed as if the member had 25 years of service effective the day preceding the member's date of death.

If there is no surviving spouse at the time of a member's duty death, these benefits shall be paid into a trust fund for any surviving child(ren) and continue to be paid until each surviving child(ren) attains 18 years of age. Creation of the trust, and the cost of its administration, shall be the responsibility of

representative(s) of the minor surviving child(ren). If there are both a surviving spouse and surviving child(ren) at the time of a members service-connected death, these benefits shall be paid for the life of the surviving spouse to the surviving spouse and, if at the death of the surviving spouse any surviving child(ren) are under 18 years of age, such benefits shall continue to be paid to such surviving child(ren) until they reach age 18.

OR

- b. Service-connected death benefits payable to surviving spouse and/or minor child(ren), as defined in Act 345, 38.556, Section 6 (2) (a) and (b).

Any benefits payable shall be offset by any *WORKER COMPENSATION* wage loss payments received, including any redemption amounts for wage loss.

Disputes as to whether the death of the member was "in the line of duty" for purposes of receiving these benefits shall be resolved by the City of Southfield Fire and Police Pension system board in accordance with Act 345.

The existence of a QDRO or EDRO shall not operate to increase the financial obligations of the City and Pension System in any case arising under payment of Duty Death benefits. Any payments directed under a QDRO or EDRO shall be offset against payments made to a surviving spouse. If the former spouse receiving QDRO or EDRO dies before the surviving spouse, the payments made to the surviving spouse shall thereupon be increased to include the amounts previously directed by QDRO or EDRO.

41.9 Pension pick-up (414 (h)). The City agrees to the institution of a pension "pick-up" plan for Employees provided that the Internal Revenue Service approves such a "pick-up"; and provided further that the "pick-up" approved by the Internal Revenue Service will be limited solely to the SPCOA. If the Internal Revenue Service does not approve a "pick-up" limited solely to the SPCOA, the said "pick-up" will not be applicable. The "pick-up" plan as set forth herein shall be instituted as follows:

- (1) The City shall pick up the Employee contributions required of SPCOA employees for all compensation earned after the effective date of this provision. The

contributions, so picked-up, shall be treated as Employer contributions in determining tax treatment under the United States Internal Revenue Code. Employee contributions picked-up by the City, pursuant to this provision, shall be treated for all other purposes, in the same manner and to the same extent, as Employee contributions made prior to the effective date of this provision.

(2) The effective date of this provision shall be the date of IRS approval. These Employee contributions so picked up shall not be included in gross income for tax purposes until such time as they are distributed by refund or benefit payment.

(3) With respect to the Plan Amendment and the "pick-up" of employee Pension contributions set forth above, it is expressly understood and agreed as follows:

(a) The plan amendment is being adopted only for the purpose of allowing employees to take advantage of IRS Code provisions which permit governmental employees to tax shelter their pension plan contributions.

(b) Salary before reduction for contribution will continue to serve as the basis for determining the amount of salary related fringe benefits, including retirement benefits.

(c) The City will maintain information which will permit identification of the amount of Employee contributions made before and after the plan amendment. This is necessary in order to determine the extent to which a pension plan distribution is taxable income to the employee at the time the distribution is received.

(d) The plan amendment is being accomplished by local agreement rather than a change in State law.

The effect of this provision is that the compensation for each member of the SPCOA shall be reduced by the amount of the pension contribution which would otherwise be required of a SPCOA employee under the provisions of the retirement system and the City will contribute this compensation reduction to the retirement system. The compensation reduction is to be considered a part of each SPCOA employee's compensation for purposes of determining the contribution which would otherwise be required of a SPCOA employee under the provisions of the retirement system.

It is the intention of this provision that the above described contributions be treated as "picked-up" by the City for purposes of Section 414 (h) (2) of the Internal Revenue Code of 1986, in that the two criteria for such treatment are satisfied:

(1) The City hereby specified that the above described contributions, although specified as Employee contributions under the retirement system, are being paid by the City to the retirement system in lieu of contributions by the SPCOA employee, and

(2) The SPCOA employee does not have the option of choosing to receive the contributed amounts directly instead of having them paid by the City to the retirement system.

Accordingly, it is the intention of the City and the Union that each SPCOA employee may, pursuant to Section 414 (h) (2) of the Internal Revenue Code of 1986, exclude from current gross income, for federal income tax purposes, all the contributions made by the City to the retirement system and that such contributions shall not be includible in the SPCOA employee's gross income until distributed or made available to the SPCOA employees.

41.10 Premium Member Annuity Withdrawal Option as set forth in Appendix A.

41.11 Effective 7/1/99 adopt a Deferred Retirement Option Plan, (DROP), as set forth in Appendix B.

Unless mutually agreed, article 41.11 shall not be subject to negotiation and/or Act 312 arbitration for a period of 5 years, ending July 1, 2004. Effective March 1, 2014, article 42.11 (DROP) may be amended by mutual agreement of the parties, but shall not be subject to Act 312 arbitration for those who were members of the unit on March 1, 2014.

Effective March 1, 2014, the Deferred Retirement Option Plan (DROP) is available only to those members in the unit on March 1, 2014, and to SPOA members who promote into the Command unit under the following provisions:

1. SPOA members who had entered the DROP prior to June 16, 2014 will make an RHC/VEBA contribution during their time in the DROP (whether in SPOA or SPCOA) of 2% through 6/30/15, 3% starting on 7/1/15 and 4% starting on 7/1/16.
2. Those who are SPOA members as of June 16, 2014 but did not enter the DROP prior to June 16, 2014 will be able to enter the DROP-2 (the DROP-2 plan provides a reduced interest rate of 2% paid on both DROP balances as well as on Accumulated Contribution account balances) on or after reaching 20 years of sworn service (whether SPOA or SPCOA). Such SPCOA members who had been SPOA members on June 16, 2014 will receive 2% DROP interest and will make a 5% RHC/VEBA contribution during their time in the DROP (whether in SPOA or SPCOA).
3. Those who were not members of the SPOA as of June 16, 2014 shall not be entitled to enter the DROP plan.

41.12 Reserve for Inflation Equity (RIE).

- A. Effective July 1, 2000, a Reserve for Inflation Equity (RIE) fund is established within the Southfield Fire and Police Retirement System.

- B. Coverage of Program. All members retiring after July 1, 2000, and their beneficiaries.
- C. Accumulation Formula. Each year, beginning July 1, 2000, funds will be credited to the RIE fund in accordance with the following formula: 55% of the 5-year average of the funding value rate of return over a trigger value of 8.0% as of June 30, not to exceed 3.0%, multiplied by the system assets of retired member and members who have elected to participate in the Deferred Retirement Option Plan (DROP), who will be eligible to receive distributions from the RIE program either now or in the future.
- D. Point Accumulation. Each covered member shall accumulate points in accordance with the following formula:
- (a) One point for each full year of service, not to exceed 25, plus
 - (b) Two points for each full year since retirement.
- E. Eligibility for Distribution. A covered member will be eligible for an immediate distribution on the later of (a), (b), or (c) below:
- (a) The first July 1st, which is at least five years after the member's retirement, defined as the later of the date that a member either separated from service or began to receive a pension.
 - (b) The year after the member's pension has lost 15% of its original purchasing power, defined as a 15% increase in the Consumer Price Index for All Urban Consumers (CPI-U), U.S. city average, all items 1982-1984 = 100.
 - (c) The member's accumulation of 35 points.
- F. Distributable Reserve. No more than 35% of the funds in the RIE fund shall be distributed in any given year.
- G. Individual Distributions. Each benefit recipient's share will be computed by dividing the benefit recipient's total points by the total points of all eligible benefit recipients and multiplying the result the Distribution Reserve. The maximum amount payable to any benefit recipient is the amount which would restore 85% of the member's original purchasing power. A surviving spouse of a member will receive 60% of the amount which would have been payable to member had the member survived.
- H. Distribution Date. The initial date for distribution of RIE Program benefit checks shall be determined by the Southfield Police and Fire Retirement Board; this date shall be utilized in future years in which sufficient funds are available for distribution.

41.13 The City of Southfield and the Southfield Police Command Officers Association agree that effective upon the execution of this agreement by both parties the SPCOA shall be a participant in the Retiree Health Care Benefits Plan and Trust (hereinafter designated as Plan), which is set forth in the Code of the City of Southfield, Title I, Chapter 14.

As provided in Section 1:603 of the Plan:

"The benefit provisions of this Plan are subject to relevant provisions of applicable Collective Bargaining Agreements between the City and the various Collective Bargaining Associations of the City. The provisions of a Collective Bargaining Agreement relative to retiree health benefits are controlling in the event of a conflict between the terms of the Collective Bargaining Agreement and the Plan."

- A lump sum direct rollover to another qualified plan to the extent allowed by federal law and in accordance with the Retirement Board's rollover procedures.
- An annuity payable for the life of the recipient.
- An optional form of annuity as established by Public Act 345 of 1937.
- No distribution, in which case the Accumulated Balance shall remain in the Plan to the extent allowed by federal law.

All benefit payments under the Plan shall be made (or commence in the case of an annuity) as soon as practical after entitlement thereto, but in no event later than the April 1 following the later of:

- The calendar year in which the Premium Member attains age 70-1/2, or
- The calendar year in which the Participant's employment terminated.

If the Accumulated Balance in any former Participant's account becomes less than \$5,000 (or such other amount as provided in Internal Revenue Code Section 411(a)(11)(A), then the Retirement Board, in its sole discretion, shall have the option of distributing the Former Participant's entire account, in the form of a lump sum, to the Former Participant.

5.06 Recalculation of Benefit Payments. Notwithstanding Section 5.05, a Premium Member may, at any time, elect to receive his entire Accumulated Balance in the form of a lump sum and immediately become a Former Member. Premium Members who have elected the annuity form of payment will have an annual option to recalculate their benefit payments based on their actual amount balances. Recalculation will be effective on the next July 1. Premium Members who wish to have their benefits recalculated must apply for recalculation in accordance with the rules adopted by the Retirement Board.

5.07 Hardship Recalculation of Benefit Payment. A Premium Member may, at any time, apply for a hardship recalculation of benefits. Hardship recalculations will be subject to approval by the Retirement Board. In no event, however, will more than one hardship recalculation be granted per member, per year.

5.08 Designation of Beneficiary. Each Member may, from time to time, designate by written notice any person or persons (who may be designated primarily, contingently or successively) as his Beneficiary to whom his Plan benefits will be paid if he dies before receipt of all such benefits. The Retirement Board shall adopt provisions and procedures for the designation of Beneficiaries. If a valid designation of Beneficiary is not on file with the Retirement Board, the Retirement Board shall distribute in a lump sum the Accumulated Balance to the legal representative of the estate of the deceased Member.

5.09 Coordination of Benefits. A Premium Member's regular retirement pension under Public Act 345 of 1937 shall be actuarially adjusted to reflect the election of the payment of benefits under Section 5.05. The calculation of the actuarial adjustment shall be based on the value of the Employee Contribution Account as of the date the Member becomes a Premium Member and the methods and assumptions specified in the applicable collective bargaining agreement or by the Retirement Board (but not inconsistent with the collective bargaining agreement).

Article VIII. Miscellaneous

8.01 Amendments. 8.03 Right to Trust Assets. No Participant, Former Participant or Beneficiary shall have any right to, or interest in, any assets of the Trust Fund upon termination of his employment or otherwise, except as provided from time to time under this Plan, and then only to the extent of the benefits payable under the Plan to such Participant, Former Participant or Beneficiary out of the assets of the Trust. All payments of benefits as provided for in this Plan shall be made solely out of the assets of the Trust Fund and the Fiduciary shall not be liable therefore in any manner.

APPENDIX B

ARTICLE XLI RETIREMENT

41.11 DEFERRED RETIREMENT OPTION PLAN: DROP

A. Overview. After attaining the minimum requirements for a normal service retirement/pension, any employee who is a member of the Southfield Police Command Officers Association ("SPCOA") may at any time voluntarily elect to participate in the Southfield Fire & Police Retirement System Deferred Retirement Option Plan (hereinafter "DROP"), subject to the eligibility limitations in 42.11(b). Upon commencement of DROP participation, the Participant's DROP Benefit shall be the dollar amount of the member's monthly pension benefit computed by using the contractual guidelines and formula(s) that are in effect on the DROP Date. During participation in the DROP, the Participant continues with full employment status and receives all future promotion and benefit/wage increases. The Participant's DROP Benefit shall be credited monthly to the Participant's DROP Account which shall be established within the Defined Benefit Plan of the City of Southfield Fire and Police Retirement System (the "Fire and Police Retirement System" or "Plan"). The Participant's DROP Account shall be maintained and managed by the Board of Trustees of the Fire and Police Retirement System (the "Retirement Board"). Upon termination of employment, the retiree shall begin to receive payment(s) from his/her individual DROP Account as described herein. The DROP payment(s) are in addition to all other contractual pension benefits. The Participant is solely responsible for analyzing the tax consequences of participation in the DROP.

B. Eligibility. Any member of the Southfield Police Command Officers Association ("SPCOA") may voluntarily elect to participate in the DROP at any time after attaining the minimum requirements for a normal service retirement/pension.

C. Participation Period. The maximum period for participation in the DROP is six (6) years (the "Participation Period"). There is no minimum period for participation. An employee must cease employment with the Southfield Police Department within six (6) years from the date of their entering the DROP.

Upon termination of employment, the retiree shall receive the monthly retirement benefit previously credited to their DROP Account unless an Optional form of benefit is elected pursuant to subsection E. Failure to terminate employment at the expiration of the DROP Participation Period shall result in forfeiture of the Participant's monthly pension benefit otherwise payable to their DROP Account until termination of employment. Interest on the DROP Account however, will continue to accrue during such a forfeiture period.

D. Election to Participate. Once commenced, participation in the DROP program is IRREVOCABLE (except as specifically provided in subsection L herein). A member who wishes to participate in the DROP shall complete and sign such application form or forms as shall be required by the Retirement Board. The Retirement Board shall review the application within a reasonable time period and make a determination as to the member's eligibility for participation in the DROP. On the member's effective DROP Date, he or she

shall become a DROP Participant and shall cease to be an active member of the Fire and Police Retirement System. The amount of credited service, multiplier and average final compensation shall be fixed as of the participant's DROP Date. Increases in compensation and accrual of additional service during DROP Participation will NOT be factored into the pension benefits of active or former DROP Participants (except as specifically provided in subsection L).

Upon execution by the SPCOA and the City of the collective bargaining agreement which establishes this DROP, members qualifying for DROP participation shall have sixty (60) days to file a DROP election with the Retirement Board with an effective DROP Date commencing July 1, 1999 or later at the Participant's election. Upon expiration said sixty (60) day period, members electing DROP Participation shall have an effective DROP Date no earlier than the member's date of application.

E. Drop Benefit. The participant's DROP Benefit shall be the regular monthly retirement benefit to which the member would have been entitled if the member had actually retired on the DROP Date (less the annuity withdrawal reduction as set forth in subsection F, if applicable). The participant's DROP Benefit shall be credited monthly to the participant's individual DROP Account. A member who elects to participate in the DROP may prior to or at the time of their termination of employment elect to receive his or her benefit in the form of the Plan's Option I or Option II benefit and nominate a named beneficiary. A member desiring to change their form of benefit at termination of employment must make such election prior to termination and will receive the actuarially computed revised benefit commencing on the member's effective date of termination. The term "spouse" for purposes of benefit qualification, shall mean the person to whom the retirant was legally married on both the effective date of termination of employment and the date of death.

F. Annuity Withdrawal. A member who elects to participate in the DROP may elect the Annuity Withdrawal Option provided by the Plan at the time of electing DROP participation. Such election shall be made commensurate with the Participant's DROP election, but not thereafter, and will be utilized to compute the actuarial reduction of the member's DROP Benefit, as well as the member's monthly retirement benefit from the Fire and Police Retirement System after termination of employment. The annuity withdrawal amount (accumulated contributions) shall remain in the City of Southfield Fire and Police Defined Contribution Plan and shall not be subject to withdrawal from the Plan until termination of employment. A DROP Participant who has elected the Annuity Withdrawal Option shall, as of his/her DROP Date, have interest credited to the member's accumulated balance in the City of Southfield Fire and Police Defined Contribution Plan at the fixed rate of 4% per annum. Effective March 1, 2014, any DROP participant who promotes into SPCOA from SPOA on or after June 16, 2014 and who entered the DROP on or after June 16, 2014 shall have interest credited to the member's accumulated balance in the City of Southfield Fire and Police Defined Contribution Plan at the fixed rate of 2% per annum. This provision shall apply to the crediting of interest only for non-premium members during DROP participation. All benefit provisions and options under the Premium Member Annuity Withdrawal Option in the Defined Contribution Plan which

are available to Premium Members shall only be available to the DROP Participant at such time as he or she terminates employment with the City.

G. Drop Accounts. For each DROP Participant, an individual DROP Account shall be created in which shall be accumulated at DROP Interest the participant's DROP Benefits. All individual DROP Accounts shall be maintained for the benefit of each DROP Participant and will be managed by the Retirement Board in the same manner as the primary pension fund. DROP Interest for each DROP Participant prior to termination of employment shall be at a fixed rate of 4% per annum. Effective March 1, 2014, any DROP participant who promotes into SPCOA from SPOA on or after June 16, 2014 and who entered the DROP on or after June 16, 2014 shall have interest credited to the member's accumulated balance in the City of Southfield Fire and Police Defined Contribution Plan at the fixed rate of 2% per annum. Upon termination of employment, DROP Interest shall be credited at the same rate and in the same manner as interest is credited to Premium Members under the Premium Member Annuity Withdrawal Option in the Defined Contribution Plan. DROP Interest will be credited daily and accrued quarterly on the Participant's DROP Account Balance at the beginning of each quarter. The actual posting of income for the quarter will commence as soon as practical, following the declaration of the quarterly fund results by the Retirement Board. The daily crediting of interest shall be done on a pro-rata basis where one day's interest is the product of (i) the income credited for the quarter; multiplied by (ii) the ratio of one divided by the total number of days in the quarter. The Board of Trustees shall provide each participant with an annual statement of their account activity. The Board of Trustees, its officers or employees, shall not be responsible for DROP Account performance.

H. Contributions. The employee's contributions to the Fire and Police Retirement System shall cease as of the Participant's DROP Date for each employee entering the DROP.

The payroll of DROP Participants will be included in the covered compensation upon which regular City contributions to the Retirement System are based. Employer contributions shall be credited to the Retirement System and not to any individual's DROP Account.

Effective March 1, 2014, DROP participants who promote into SPCOA from SPOA on or after June 16, 2014 and who entered the DROP on or after June 16, 2014 will make an additional 3% post-tax contribution to the VEBA/RHC (5% total) during their term of employment. Effective March 1, 2014, DROP participants who were promoted into SPCOA from SPOA on or after June 16, 2014 and who entered the DROP prior to June 16, 2014 will make increased contributions to the VEBA/RHC as follows: effective July 1, 2015, DROP participants who entered the DROP prior to June 16, 2014 will make an additional 1% post-tax contribution to the VEBA/RHC (3% total) during their term of employment; effective July 1, 2016, DROP participants who entered the DROP prior to June 16, 2014 will make an additional 1% post-tax contribution over and above the increased July 1, 2015 contribution to the VEBA/RHC (4% total) during their term of employment.

I. Distribution of Drop Funds. Upon termination of employment, the former DROP Participant must choose one, or a non-inconsistent combination of, the following distribution methods to receive payment(s) from his or her individual DROP Account:

- 1) A total lump sum distribution to the recipient.
- 2) A partial lump sum distribution to the recipient.
- 3) A lump sum direct rollover to another qualified plan to the extent allowed by federal law and in accordance with the Retirement Board's rollover procedures.
- 4) An annuity payable for the life of the recipient.
- 5) An optional form of annuity as established by Public Act 345 of 1937.
- 6) No distribution, in which case the accumulated balance shall remain in the Plan to the extent allowed by federal law.

A former Participant may change their distribution method as may be applicable no more than once per annum. All benefit payments under the Plan shall be made (or commence in the case of an annuity) as soon as practical after entitlement thereto, but in no event later than the April 1 following the later of:

- 1) The calendar year in which the Premium Member attains age 70 ½, or
- 2) The calendar year in which the Participant's employment terminated.

If the Accumulated Balance in any former Participant's account becomes less than \$5,000 (or such other amount as provided in Internal Revenue Code Section 411(a)(11)(A)), then the Retirement Board, in its sole discretion, shall have the option of distributing the former Participant's entire account, in the form of a lump sum, to the Former Participant.

Any and all distributions from Participant's DROP Account shall not be subject to offset by any workers compensation wage loss payments received by the Participant, including any redemption amounts.

J. Death During Drop Participation. Except as otherwise provided in subsection L, if an employee participating in the DROP dies either: (i) before full retirement (i.e., before termination of service); or (ii) during full retirement (i.e., after termination of service) but before the DROP account balance has been fully paid out, the Participant's designated beneficiary(ies) shall receive the remaining balance in the Participant's DROP Account in the manner in which they elect from the previously mentioned distribution methods. In the event the Participant has failed to name a beneficiary, the account balance shall be payable to the Participant's beneficiary of benefits from the Fire and Police Retirement System. If there is no such beneficiary, the account balance shall be paid in a lump sum to the Participant's estate. Benefits payable from the Fire and Police Retirement System shall be determined as though the DROP Participant had separated from service on the day prior to the Participant's date of death.

K. Disability During DROP Participation. Except as otherwise provided in subsection L, in the event a DROP Participant becomes totally and permanently disabled from further performance of duty as a police officer in accordance with the provisions of the Fire and Police Retirement System, the Participant's participation in the DROP shall cease and the member shall receive such benefits as if the member had retired and terminated

employment during the participation period. Application and determination of disability shall be conducted in accordance with the Fire and Police Retirement System provisions; however, the Participant shall not be eligible for disability benefits from the Fire and Police Retirement System, except as specifically provided in subsection L.

L. Special Provision for Disability and Death. A DROP Participant who is found by the Retirement Board, in accordance with Retirement System provisions, to be totally and permanently incapacitated for duty may retroactively revoke the Participant's DROP election if the revocation occurs before the payment of a distribution to the member from the Participant's DROP account or payment of retirement benefits from the Retirement System. If a DROP Participant dies while in the employ of the City, the DROP Participant's eligible survivors (i.e., survivors qualified under Section 6(2) of Public Act 345 of 1937, as amended, and the Participant's applicable collective bargaining agreement) and the Participant's eligible DROP beneficiary(ies) may, by unanimous agreement, retroactively revoke the Participant's DROP election if the revocation occurs before payment of a distribution from the Participant's DROP account or payment of benefits from the Fire and Police Retirement System. If a DROP election revocation is made as prescribed by this Paragraph, the Participant's DROP Account is not distributed, and the Participant or the Participant's beneficiary(ies), as applicable, is entitled to all benefits provided by the Fire and Police Retirement System as if a DROP election had not been made. In the event of revocation of DROP participation as provided herein, there shall be no requirement for retroactive payment of employee contributions which would otherwise have been paid by the member to the Retirement System and the member shall receive service credit for all service rendered during DROP participation or as otherwise provided in the applicable collective bargaining agreement.

M. I.R.C. Compliance. The DROP is intended to operate in accordance with Section 415 and other applicable laws and regulations contained within the Internal Revenue Code of the United States. Any provision of the DROP or portion thereof that is found by the Retirement Board to be in conflict with an applicable provision of the Internal Revenue Code of the United States is hereby declared null and void.

The Southfield Fire and Police Retirement System consists of both defined benefit and defined contribution plans. The DROP Account herein discussed shall be established as part of the Defined Benefit Plan of the Retirement System or such other plans as the Retirement Board and the SPOCA shall agree upon (i.e., I.R.C. section 415(m) benefit plan) after consultation with appropriate legal counsel.
