WEDNESDAY, AUGUST 30 | 3-7 p.m.
Southfield Public Library 1st Floor Meeting Room

POP in to Meet will allow the community to 'pop in' and learn about the programs Southfield Human Services, CHORE and World Medical Relief offer while enjoying free popcorn. The event will also feature information on Southfield Michigan Works! and new and used men's, women's and children's clothing donated by Raymond James financial services will be distributed.

World Medical Relief will have information on the Affordable Prescription Program and Durable Medical Equipment Program and will be taking \$5 donations at the event to purchase crib blankets for homeless babies and toddlers. Every \$5 donation provides one blanket and 20% of donations given during the event will benefit the Southfield Human Services Emergency Relief Fund.
